

# Change Your School with Social Media

**Activity:** Change Your School with Social Media

**Category:** Research Project/Writing Assignment

**Series:** Great Moments in Media (12 Great Moments That Changed Internet History)

**Supplies**

Paper; pencil

**Prep**

Read *12 Great Moments that Changed Internet History* or assign your students to read it on their own

**Directions**

Social media helped people in the Middle East organize protests. How could it help make changes at your school? Have students list at least three ways they could use social media to make positive changes. They should use specific information from the text to support each idea.

**Evaluation**

Was the student able to use information learned from the text to come up with ideas for how to improve your school? RI 4.1

**Purpose**

To help students understand what they've read in a text and be able to use that information to make a positive change in their school.
